## CHAPTER \_\_\_\_\_

An act to amend Section 8690.6 of the Government Code, relating to disaster assistance, and making an appropriation therefor.

## LEGISLATIVE COUNSEL'S DIGEST

SB 1227, Hollingsworth. Disaster assistance: emergencies.

Existing law, the California Disaster Assistance Act, establishes, until January 1, 2009, the Disaster Response-Emergency Operations Account in the Special Fund for Economic Uncertainties and continuously appropriates its revenue for allocation by the Director of Finance to state agencies for disaster response operation costs incurred by state agencies as a result of a proclamation by the Governor of a state of emergency.

This bill would extend the termination date for these provisions until January 1, 2014, and would thereby make an appropriation by extending the time during which funds may be continuously appropriated from the account.

The bill would also preclude expenditure of funds in this account for conditions in the state's prisons, medical facilities, or youth correctional facilities resulting solely from the action or inaction of the Department of Corrections and Rehabilitation in administering those facilities.

Appropriation: yes.

*The people of the State of California do enact as follows:*

SECTION 1. Section 8690.6 of the Government Code is amended to read:

8690.6. (a) The Disaster Response-Emergency Operations Account is hereby established in the Special Fund for Economic Uncertainties. Notwithstanding Section 13340, moneys in the account are continuously appropriated, subject to the limitations specified in subdivisions (c) and (d), without regard to fiscal years, for allocation by the Director of Finance to state agencies for disaster response operation costs incurred by state agencies as a result of a proclamation by the Governor of a state of emergency,

as defined in subdivision (b) of Section 8558. These allocations may be for activities that occur within 120 days after a proclamation of emergency by the Governor.

(b) It is the intent of the Legislature that the Disaster Response-Emergency Operations Account have an unencumbered balance of one million dollars (\$1,000,000) at the beginning of each fiscal year. If this account requires additional moneys to meet claims against the account, the Director of Finance may transfer moneys from the Special Fund for Economic Uncertainties to the account in an amount sufficient to pay the amount of the claims that exceed the unencumbered balance in the account.

(c) Funds shall be allocated from the account subject to the conditions of this section and upon notification by the Director of Finance to the Chairperson of the Joint Legislative Budget Committee and the chairpersons of the fiscal committees in each house.

(d) Notwithstanding any other law, authorizations for acquisitions, relocations, and environmental mitigations related to activities, as described in subdivision (a), shall be authorized pursuant to this section. However, these funds shall be authorized only for needs that are a direct consequence of the proclaimed emergency if failure to undertake the project may interrupt essential state services or jeopardize public health or safety. In addition, any acquisition accomplished under this subdivision shall comply with any otherwise applicable law, except as provided in the first sentence of this subdivision.

(e) No funds allocated under this section shall be used to supplant federal funds otherwise available in the absence of state financial relief.

(f) The amount of financial assistance provided to an individual, business, or governmental entity under this section, or pursuant to any other program of state-funded disaster assistance, shall be deducted from sums received in payment of damage claims asserted against the state, its agents, or employees, for causing or contributing to the effects of the proclaimed disaster.

(g) No public entity administering disaster assistance to individuals shall receive funds under this section unless it administers that assistance pursuant to the following criteria:

(1) All applications, forms, and other written materials presented to persons seeking assistance shall be available in English and in

the same language as that used by the major non-English-speaking group within the disaster area.

(2) Bilingual staff who reflect the demographics of the disaster area shall be available to applicants.

(h) Notwithstanding any other provision of law, no funds in the Disaster Response-Emergency Operations Account shall be expended for conditions in the state's prisons, medical facilities, or youth correctional facilities resulting solely from the action or inaction of the Department of Corrections and Rehabilitation in administering those facilities.

(i) This section shall remain in effect only until January 1, 2014, and as of that date is repealed, unless a later enacted statute, that is enacted before January 1, 2014, deletes or extends that date.
